

Milestones Preschool: 2024-2025 Program & Tuition Schedule

Milestones offers programs for two-year old through Pre-Kindergarten (KPrep) children. Preschool students are enrolled in programs based on age and date of birth and for some by meeting a developmental milestone (i.e. potty-trained). Milestones enrolls children in programs that they will be in for the entire school year. Children are not moved on or near their birthdays. Milestones charges a registration fee per child at the time of enrollment. This fee is a one-time charge for students with continuous enrollment. Those that withdraw and return will be charged a re-registration fee.

Milestones tuition rates are based on either a 12-month/214-day academic school year, starting Thursday, July 11, 2024, through Friday, June 20, 2025, or a 10 month/180-day academic school year, starting Thursday, August 1, 2024 through Wednesday, May 21, 2025. Families will choose which program best fits their needs at the time of enrollment.

- 10 Month Program families will be responsible for monthly payments August 2024 – May 2025.
- 12 Month Program families will be responsible for July's pro-rated payment and monthly payments August 2023 – June 2024.

Milestones does not offer tuition credits or adjustments beyond the established Personal Time Credit or Extended Leave of Absence option. Tuition is divided evenly over the school year and is not adjusted during extended school breaks. Families are responsible for their specific program's annual tuition unless they provide proper written notice of withdrawal outlined in our Withdraw/Refund Policy.

ProCare App

Milestones utilizes ProCare Solutions, a childcare management program. The ProCare App will be used to sign-in/out students daily, to make tuition payments and communicate with the preschool teaching staff. Families will scan a QR Code at drop-off and pick-up for proper attendance. New families will receive an emailed invitation before the start of the school year from ProCare.

Tuition Payments

Tuition is an annual fee based divided into monthly payments. The 12-month program’s July payment is a partial payment. Milestones tuition is due on the first school day of each month or on the 1st. All billing and payments will be made through the ProCare App. Families enrolling after the start of the school year may have their first month’s tuition pro-rated based on the time of enrollment.

Registration Fee - \$100 per child - One-time fee for children with continuous enrollment in preschool programs.
Reenrollment Fee Due to Withdrawal - \$50 per child – Families that have withdrawn prior to the end of their program and plan to return later in the year or the following school year.

Multi-Student Tuition Discount

Milestones offers a 10% tuition discount for families with more than one child paying for monthly preschool tuition (Twos, Threes or KPrep). The discount will be taken from the monthly total. No discounts are given to K-8th Grade Extended Day fees.

Program Changes

Milestones requires changes to your child’s program to start at the beginning of a new month. Families requesting a change their program (i.e. half-day to full-day) must notify the office in writing at least two weeks prior to the start of a new month. Changes will be granted if a spot is available in the requested program.

Withdrawal/Refund Policy

Milestones requires families provide written notice for withdrawal for all tuition paid programs. For families withdrawing on or before December 20, 2024, a 30-day notice is required. Which would come in the form of a 30-day notice, one month of tuition or a combination of the two. Families that withdraw between December 21, 2024 and March 31, 2025, will be required to provide a 45-day notice or a month and a half of tuition or a combination of the two. Families will be responsible for their remaining tuition balance if notification of withdrawal is made on or after April 1, 2025. Refunds will be given to families that have remitted tuition beyond the 30-day or 45-day notice. No refunds will be given for registration fees paid. Families may receive copies of their child's school records after all financial obligations have been met. Families choosing to withdraw will not be considered for first in-line availability for upcoming school year enrollment spots.

Personal Time Credit

Milestones will offer a half of a month's tuition credit to preschool program families once per school year. This credit will be available after a family has made a minimum of three full monthly payments. July is not considered as a full month. This credit does not have a cash value, will not rollover to the next school year and can only be used when a child is absent for a minimum of 5 days to receive a ¼ month credit or 10 days for a ½ a month credit. This credit may not be used as payment for tuition owed due to withdrawal. Families are required to request this credit in writing. Based on payment method or frequency, the credit may be seen with the following month's charge. Milestones will grant a credit "after the fact" due to an emergency absence. That credit will be reflected in next month's charge. Milestones will not refund a prior tuition payment. Credit may not be used during school breaks, as families are not charged for those days.

Extended Leave of Absence

Milestones, within reason, will work with families of preschool students that require an extended leave of absence. The leave will be granted to families that have paid a minimum of three full monthly payments. July is not considered as a full month. An extended leave requires more than two full weeks of consecutive absences. Families are required to request leave in writing. Parents should communicate with both the classroom teacher and office personnel regarding specific dates. Those that have a child enrolled in a tuition paid program may hold their child's spot by paying 50% of their monthly tuition. This may be done for no more than one month or four weeks per school year. Families may combine the **Personal Time Credit** with the **Extended Leave of Absence** and provide a half a month's tuition and be absent for 6 weeks. Families that are absent for more than 6 weeks per school year will be required to either pay the entire monthly tuition or will be withdrawn. Withdrawn students may not be considered for the first in-line enrollment available for the following school year and will be charged a reenrollment fee.

School Meals: Milestones will provide breakfast and afternoon snacks free of charge to our preschool students. Lunch may be purchased for a daily fee. Meals served comply with the USDA's National School Lunch Program requirements. Families that qualify under the USDA program may also receive free or reduced lunches prices lunches. Applications are available in the school office. Preschool students will be provided non-flavored fat-free or 1% milk and filtered water. On occasion, 100% fruit juice may be offered with afternoon snacks. Menus will be provided monthly for review. Families providing their child's lunch should bring them to school in lunchboxes labeled with their child's first and last names.
